Volunteer Board Director Opportunities with CINI Australia

CINI Australia is seeking passionate and skilled individuals to join our Board of Directors. This is a rewarding opportunity to contribute to a respected not-for-profit organisation that is committed to effective and life-changing sustainable development for women and children in India.

CINI Australia is a member of ACFID (Australian Council for International Development) and has been collaborating with Child In Need India since 2011. Our programs focus on the empowerment, health, education and protection of women and children whilst building the capacity of communities to break the cycle of poverty and disadvantage.

As “working” Board, our voluntary Directors play an active role in fundraising, governance, strategy and community engagement. We are seeking new Directors who can dedicate approximately 6–12 hours per month to help achieve our goals.

We are seeking any of the following:

- Skills in fundraising, philanthropy or accounting;
- The ability to build relationships with corporate partners and sponsors
- Prior Board or governance experience (preferred but not essential)
- A commitment to collaboration, accountability and CINI Australia’s mission
- Enthusiasm to join a passionate and committed team

If you would like to speak with a current Board member in person to understand please let us know.
